LANXESS

Energizing Chemistry

Most of **Bayer Chemicals** will be combined with parts of **Bayer Polymers** to form a new company named **LANXESS Corporation**.

THE NEW LANXESS PORTFOLIO WILL INCLUDE:

Basic, specialty, and fine chemicals

Intermediates for pharmaceuticals and crop protection

Material protection products

Leather, paper, and textile processing chemicals

Ion exchange resins

Inorganic pigments

Polymer additives

Synthetic rubber and rubber chemicals

ABS (styrenics)

Semi-crystalline thermoplastics

*For more information about the future
LANXESS company, contact us at:*

100 Bayer Road
Pittsburgh, PA 15205
(412) 777-2000
