

Attendees List

May 11, 2010

**Formulating New Bridges for
the Next Decade of Chemistry**

**Pittsburgh
Chemical Day**

43rd Annual

100 years
of rubber
were just the
beginning.

It's time for the future of synthetic rubber
based on 100 years of experience.

It's time for less abrasion and more durability.

It's time for further CO₂ reduction.

Attendees List 2010

A.C. Zoller Co.

Mark Zoller

Aal Chem

Kaz Darehshori

Paul Schmuck

*Advanced Chemical
Concepts*

Elise Kachinski

Pete Zaccari

*Advanced Polymer
Technology*

Andreas Schulze Ising

Air Liquide America

Greg Spozio

AkzoNobel

Kevin Bonfield

Rick Smith

Cornell Whitley

Alcan Chemical

Edward Callanan

AllChem Industries

Nate Camire

Brian Milan

Allegheny Conference

Bill Flanagan

Dennis Yablonsky

*American Chemistry
Council*

Cal Dooley

Americhem Sales Corp.

Bruce Whetter

You know about Univar's strong relationships with the world's premier suppliers, our unrivaled distribution network and our vast portfolio of specialty and commodity materials. But did you know that we can help you improve productivity and lower production costs?

We offer technical expertise to help you develop new products. Our innovative market focus can help you open up a whole new landscape of customers.

It all adds up to Value.

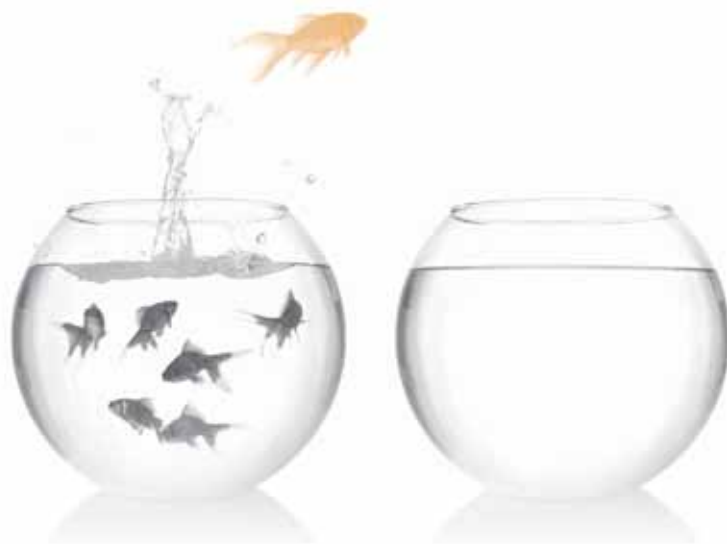

UNIVAR = VALUE

» INNOVATION » TECHNICAL EXPERTISE » MARKETING » SALES » LOGISTICS » DISTRIBUTION

Looking for a fresh approach to managing your supply chain?

Come over to Ashland and break free of material shortages.

You need a supply chain partner that can think out of the box — one that will bring you the best fit and best value possible.

You can rely on Ashland's time-tested relationships with world-class suppliers. With more than 7,500 chemicals, additives and solvents, you'll get the right products and quantities — when you need them — where you need them.

Let's talk about your volume today.

ASHLAND

The Joint Chemical Group Chemical Association of Pittsburgh

With the struggling economy as it is, I wish to personally thank the following volunteers who put their time and hard work in making the 2010 Pittsburgh Chemical Day a success.

Heather Rayburg-Smith – Shell Chemical LP
Speaker & Guest – Chair

Erin Hubert – Ashland Distribution
Promotions – Chair

Lee Sabo – Procurement Consultant
Ads/Sponsorships/Expo – Chair

Verlene Uzelac – Watson Standard
Arrangements – Chair

Kevin Schwartz – Weatherford
Finance & Reservations – Chair

Tammy Seiler – Global Environmental Management
E-Promotions – Chair

Kevin Audas – Brenntag Northeast
Forum & Workshop – Chair

Extra Thanks to the following for their contributions to this year's event:

Bayer MaterialScience

Extra effort in arranging special guests
and additional audio & visual effects

NOVA Chemicals

Sponsoring the breakfast in the William Penn Ballroom

Klaus Equipment Company

Jay Klaus, President, Sponsoring the Afternoon Workshop

D&GG Advertising

The new 2010 Pittsburgh Chemical Day identity

H2 Communications

The audio and visual part of the day's event

Platts

Supplying the Lanyards this year

*Thank you all for your extraordinary contribution
to the Pittsburgh Chemical Day Event.*

Sincerely,

Bob McCormick

General Chair – 2010 Pittsburgh Chemical Day
