

48th Annual

PITTSBURGH CHEMICAL DAY

October 6, 2015

ATTENDEES LIST

Pittsburgh: All the Right Elements

The Pittsburgh region has the right elements for chemical industry investment: a chemical legacy spanning 200+ years; educated workforce; robust R&D facilities; \$1B+ chemical export revenue; and future petrochemical prospects.

Make the Pittsburgh Regional Alliance's complimentary economic development services part of the equation when looking to establish or grow your business:

- Site selection assistance
- Global business assistance
- Access to financial support
- Market research & analysis
- Talent attraction & retention
- Peer executive meetings
